=====

[00:02.96 --> 00:08.84] Hello, I could you please not ask any more about like if I need an AC unit or not

[00:08.84 --> 00:14.72] I need like actual air conditioning. You know, I'm saying like if you guys want to install permanent one like in the window

[00:14.72 --> 00:17.68] That would be great, but like to constantly

[00:18.68 --> 00:26.24] Wonder and suggest to take away the portable AC unit. I don't understand because it's 88 degrees in my unit right now

[00:26.24 --> 00:32.50] I'm trying to keep my cats alive. I've had to like spend a hundred dollars on stuff for them at minimum

[00:32.96 --> 00:34.96] And now I'm over a thousand dollars

[00:35.44 --> 00:41.76] Over a thousand dollars to stay okay, so I don't need any questions. I don't need anything else. I'm telling you

[00:42.08 --> 00:48.88] Stop asking me and bothering me about things without giving me an actual solution. I'm not

[00:53.52 --> 00:59.92] It's not so respectful I'm telling you that you my unit is 88 degrees asking me to remove

[01:00.32 --> 01:05.16] Report as he's asking me to move a portable AC unit out of my unit

[01:06.08 --> 01:14.48] While there is no actual acts asking me of hey, can we install a permanent one or there's a solution for you

[01:14.48 --> 01:18.08] Then you're only harassing me. I'm not harassing that is harassing

[01:20.88 --> 01:25.16] I'm calm. I didn't ask for your response. I'm telling you something

[01:26.12 --> 01:31.32] If you can't accept what I'm telling you then we're going to have even more problems, and that's fine

[01:34.28 --> 01:40.40] If you can say yes, I understand what you said or anything like that's fine, but otherwise I'm not going to be okay

[01:42.76 --> 01:46.20] No, I've been here three years. No, he's like for a while

[01:47.56 --> 01:53.56] Like since last summer when they sent me an email saying that I'm winger in the hallways because there was a seat on there

[01:53.56 --> 01:55.56] My name is any degrees up there

[02:17.56 --> 02:19.56] It's 88 degrees in my

[02:20.68 --> 02:22.68] Know you don't

[02:22.68 --> 02:24.68] Because if you understand it you need to do something

[02:28.84 --> 02:33.64] How long have they been working on for tell them there's 16 violations

[02:34.84 --> 02:39.32] There's over 16 violation you're at you're gonna call the police on me for what?

[02:39.72 --> 02:45.00] Because right now he asked me a question. I'm asking and

I'm hoping clarify for him

[02:48.36 --> 02:50.36] I said

[02:52.68 --> 02:54.68] The problem

[02:54.92 --> 02:57.80] What's the problem? I don't understand what the problem is

[02:58.36 --> 03:01.16] What you want you said you want to answer so good?

[03:01.88 --> 03:08.60] Are you done? Yeah, okay, no, you said you wanted a response and I wasn't letting you so I'm like, okay

[03:11.40 --> 03:13.40] What's it? I don't know at this moment

[03:23.64 --> 03:27.16] I definitely find better out of the leaves if that's what she wants to do

[03:27.96 --> 03:33.64] The ACS being worked on we just took over management. They are working on it out of this week

[03:34.28 --> 03:38.28] I do not have an estimate yet. Oh, whenever we repair, but it is actively being worked on

[03:39.72 --> 03:43.08] Well, it's a horrible and her unit for the time being while it's being worked on

[03:43.56 --> 03:46.28] All right, she wanted to get a money bag. You want to send an email?

[03:46.76 --> 03:48.76] Yeah, she can do that

[03:53.40 --> 03:59.08] So you still want me just to leave and don't want me to talk to you?

[04:02.36 --> 04:09.08] Yeah, really because the last time we went into your apartment and went in there he said it wasn't hooked up

[04:09.32 --> 04:13.16] That's correct and we have people who need it and are willing to let us hook it up

[04:13.16 --> 04:16.04] So if you're not willing to let us hook it up and utilize it

[04:16.04 --> 04:21.64] I need it. I can't breathe with the air that's come in there. I got sick. I have doctors notes and you guys know that

[04:21.96 --> 04:23.96] Why is it not hooked up? You know that already

[04:26.20 --> 04:28.60] It was why was it not hooked up yesterday?

[04:29.08 --> 04:31.48] Why was it not hooked up yesterday?

[04:31.96 --> 04:37.08] Did you reestablish it? Are you asking me or you can you and I know you're recording me too

[04:37.32 --> 04:42.84] Because this is because I've been so nice to you and for you to come here, but you've also been asking me

[04:43.56 --> 04:45.56] Yeah, I'm sorry Justin

[04:45.64 --> 04:51.48] I'm sorry what you're telling me you're asking me these like very specific is the unit like in the window right now

[04:51.48 --> 04:53.48] Well, if it's in the window

[04:53.88 --> 04:55.88] Then if it's in the window

[04:57.80 --> 05:02.04] And explain it was too hot in there, so I don't know what you're trying

[05:04.52 --> 05:09.16] It is your apartment. Yeah, I asked you to come are you gonna let me speak now

[05:11.51 --> 05:18.39] Tim went to your apartment today and saw that the

portable unit that we have installed into your unit was disassembled. Is that correct?

[05:19.35 --> 05:23.91] I had taken that correct. I had taken that correct. No, really?

[05:24.63 --> 05:30.07] So I'm not gonna ask yes, there are no questions. I'm not in a courtroom and you're not a lawyer and this isn't a judge

[05:30.39 --> 05:34.63] I also didn't ask for myself to be reported right now. Well, I need to have it on record

[05:35.91 --> 05:40.63] Oh, you're asking I'm asking you a direct question. How is all my AC problem?

[05:41.19 --> 05:44.87] How do I get it down from it? I'm asking you now. Yeah, yeah

[05:45.83 --> 05:50.23] Well, I'm asking because it's 88 degrees of my apartment and you're asking me very weird questions

[05:50.87 --> 05:55.99] Aren't helping me cool down my unit. I wonder how my unit's gonna cool down

[05:56.71 --> 06:01.59] The portable unit that we installed in your apartment. Uh-huh. Did you take it off of the window?

[06:01.67 --> 06:05.11] I don't understand how that cools down my apartment. I don't understand why you can't answer the question

[06:05.19 --> 06:13.03] I had and I put it back, but why that would matter is just another way of you circling around the fact that my unit is 88 degrees and you don't care

[06:13.51 --> 06:16.71] Yeah, okay, so if you cared you would do something

[06:16.95 --> 06:22.87] So you think I'm not doing something? Yeah, 100% nothing has happened because I'm literally had to bring up like so much

[06:23.19 --> 06:27.11] Ice from my cats that they don't die in there and I don't have a choice

[06:30.95 --> 06:35.43] Because if you feel that we're not doing an adequate job here. How long is the AC not been working?

[06:36.23 --> 06:41.67] It's not been working long before grace archipelago. I'm saying last August right when I got the letter from Sarah came

[06:41.75 --> 06:45.11] Long before but it would race archipelago so it's been that long

[06:45.83 --> 06:50.79] Okay, and as of last year you guys took over and start doing all these repairs, right?

[06:51.83 --> 06:53.51] And is it fixed

[06:53.59 --> 06:56.47] Well, we can't repair a system that's been down. Is it fixed?

[06:57.35 --> 06:59.35] Do you say yes or no?

[06:59.35 --> 07:03.59] You can't see how you do that to me and then you will answer yourself. That's good

[07:03.91 --> 07:08.55] That's why I record these things because you can try to make me look like I'm doing something wrong

[07:08.55 --> 07:13.35] I'm even suffering up there. I'm glad to leave. I don't know if you want to come back in here
