Hi Justin,

I just got your voicemail. I will have him removed from the desk after his shift and he won't be coming back. Please stay away from him for now. He will be gone shortly.

Hi Justin,

I'm so sorry this happened to you. We have already started legal proceedings against this resident. We will fully review the footage and would appreciate it if you can share the DC number the police gave you with us. We will also address the front desk concierge. We pray that you feel better soon.
