- **FACOI** — Fellow, American College of Osteopathic Internists
- Member, American Osteopathic Association — Certificate of Excellence

## Academic Appointment

---

- **Clinical Assistant Professor of Medicine**, Rowan University School of Osteopathic Medicine (formerly UMDNJ-SOM)

## Hospital Affiliations

---

- Virtua Health System (Voorhees, Marlton)
- Jefferson Health — Cherry Hill Division (formerly Kennedy Health)
- Hospital of the University of Pennsylvania (listed)
- Doylestown Hospital (listed)

## Awards & Recognition

---

- **NJ Top Docs**, 2019
- **South Jersey Magazine — Top Docs**, 2022 (Gastroenterology category, peer-nominated)
- AOA Certificate of Excellence
- Healthgrades "Recognized Doctor" designation

## Publication (PubMed-confirmed)

---

Horn A, Freed N, Pecora AA. **Sickle cell hepatopathy: diagnosis and treatment with exchange transfusion.** *J Am Osteopath Assoc.* 1987 Feb;87(2):130-3. PMID: 3558021.

*PubMed's "Horn AS" author cluster is dominated by an unrelated pharmacology researcher (dopamine / neuroleptics). The 1987 JAOA paper above is the only PubMed-indexed publication matching Dr. Horn's career; additional CME talks or non-indexed articles will not appear in PubMed — his CV would be the authoritative source.*

## Clinical Focus Areas

---

GERD, Barrett's esophagus, colon polyps and colorectal cancer screening, Crohn's disease, ulcerative colitis, esophageal disease broadly, sickle-cell hepatopathy (early-career interest reflected in the 1987 paper).
